# How to Transfer Messages from Android Phone to PC?

#### On your windows computer:

Download and install the latest version of Tansee Android Message Transfer from <u>here</u>.

Open Tansee Android Message Transfer.

#### 2 On your android phone:

Download and install Tansee Message Transfer App from tansee.com/get (Please open this link in your Android phone's web browser)

Open Tansee Message Transfer App.

Connect your phone to the PC using one of the following options:

Option 1: WLAN Please ensure that your phone and the computer are

connected to the same WLAN Network (same router).

**Option 2: Mobile Hotspot** Connect your computer's WiFi to the **Mobile Hotspot** network of your phone.

**Option 3: USB Tethering** Connect your computer's network with the **USB Tethering** network of your phone via a USB cable.

Obtain the connection code from one of the options above, input it into the Tansee program on your PC, and click the **Connect** button.
